1. Question- Why do teachers feel like students need homework every night?
2. Onomatopoeia- "Ughhhhh!" I wish I didn't have so much homework!
3. Humor – "Boy, I sure am glad I have all this homework!" said no kid, ever.
4. Persuasive – Students should not be given any more homework!
5. Dialogue – "Class, tonight you will need to complete problems 1-50 in your math textbook."
6. Interesting Fact – Did you know that over 90% of students say that they have too much homework each night?
